**NOTE:** Award criteria, three-mile race:

- To be eligible for an award, the winner must have participated in at least three of the six preliminary meets. The final meet did not count in terms of meeting the eligibility requirement.
- The number of awards in any age group depended on the average number of participants in each age group at the first five preliminary meets divided by four, with a guarantee of at least one award per age group unless there was no participation in that group during the first five preliminary meets. The sixth meet (coed relay) did NOT count for determining participation, as the awards had to be ordered prior to the date of that meet.
