

Mountain Trail Fun Runs – 2018

Enjoy the trails of the Angeles National Forest

2018 marks the 32st year of the Mountain Trail Fun Run Series. Begun by the late Bob Kimmerly and John Swallow in 1987, the series is organized by the High Desert Runners with assistance from members of the Santa Clarita Runners. Scott Zierman, 661-951-9454, szierman@aol.com, is coordinator again this year.

The runs are of varying distances on moderately strenuous forest trails and dirt roads. Most are out-and-back runs, so shorter distances can be run by those who are not up to doing the full course. Joggers and walkers are welcome, as these are fun runs, not races. Minimal course markings will generally be only at critical intersections. You must carry water, although water may be provided on-course on the longer runs. **All runs start at 8 a.m. except as noted below.** Newcomers are strongly encouraged to run with someone who is familiar with the course, as we don't want anyone to get lost (as has happened in the past).

No fee, no awards, no T-shirts, but we do encourage runners to bring healthy munchies to share post-run.

The U.S. Forest Service requires display of an Adventure Pass for parking in some high-impact areas.

Monday, Jan. 1 – New Year's Day Hangover Run, Vasquez Rocks County Park, **8:30 a.m. start.** Out-&-back route of about 7.4 miles on the Pacific Crest Trail.
