MEET DIRECTOR'S NOTES:

--The number of teams (43) was up by five from the number of teams at the 2017 and 2018 coed relays. Participants numbered 127, up from 113 in 2018.

--* Two females (Alice Smith and Shelby Smith) ran on two teams so that four males who were unable to recruit a female team member could participate.

--Many of the teams were composed primarily of children age 12 and under, most of whom ran well.
